

Hybrid Courses

A hybrid course is taught face-to-face and over the internet. You have to attend the class on the days listed and the remaining class time will be conducted over the internet.

An online orientation is available for students new to distance learning. This orientation contains general information about distance learning courses, including how to login to Moodle. When students login to their online/hybrid course the first day of classes they will be required to complete an enrollment verification assignment. If you have any questions, contact the Director of Distance Learning at 910-296-1334 or jscbbhelp@jamesprunt.edu.
