

James Sprunt Community College—Basic Motorcycle Rider Course

Basic Motorcycle Rider Course

<http://www.ncmotorcyclesafety.org/>

The first half of the course familiarizes students with the location and operation of the controls. Students then practice riding on small motorcycles to demonstrate that they have the strength, balance, and coordination to perform necessary turns, shifting, and stopping exercises. The second half of the course shows students the successful way to ride in traffic and therefore minimizes accidents. These skills include emergency braking, swerving, and sharp turn techniques.

- No prior motorcycle and or knowledge needed
- No permit or endorsement is required
- All exercises are conducted on a protected range
- Motorcycles, helmets, and training manuals are provided by the college
- Students must wear an approved helmet, over-the-ankle footwear, long pants, a long sleeved shirt or jacket, full-fingered gloves, and protective eyewear at all times while training.

Absolutely no refunds or rainy day vouchers. The registration fee of \$125 will be payable in advance (before Thursday @ 2 pm) at the Boyette Building Room 221 and/or 225. Absolutely no refunds or rainy day vouchers. **FIRST COME FIRST SERVED.**

If you are interested, please call to pre register at 910-296-2462 Theresa Best or 910-296-2460 Monique Newkirk
