## James Sprunt Community College—Jewelry Making

### Jewelry Making

James Sprunt Community College is excited about this class. In this class you will be able to make jewelry for your family, friends, co-workers or children. Jewelry is always a nice gift especially if it's made by you. This class will teach you how to create and decorate your own jewelry. We'll see you there!

If you are interested, please call to pre register at 910-296-2462.
