WorkKeys

Today, more than ever, NC businesses are challenged to find the best ways to find, hire and retain workers with the right skills. **WorkKeys** meets the challenge.

WorkKeys is a comprehensive, legally compliant solution developed by the American College Testing program for selection, promotion, recruitment and training.

The **WorkKeys** profile is a job analysis that determines the skills required for entry level and performance, assessments offer workplace-based skills measurements that place incumbent or prospective workers on a common scale. Our training offers targeted curriculum to close skills gaps between job requirements and individual abilities. Finally, with certification CRC (Career Readiness Certificate) documents employability and rewards proven **WorkKeys** performance with a portable credential.

WorkKeys offers you the opportunity to find qualified employees with these great benefits...

- * Affordability
- * EEOC, ADA and ISO compliant
- * Increased productivity
- * Reduced turnover
- * Increased profit
- * Reduced overtime
