Hybrid Courses

A hybrid course is taught face-to-face and over the internet. You have to attend the class on the days listed and the remaining class time will be conducted over the internet.

Students registering for an online or hybrid course are required to review the online orientation by going to http://www.jamessprunt.edu/DL_Orientation.html. This orientation contains general information about distance learning courses, including how to login to Blackboard. When students login to their online/hybrid course the first day of classes they will be required to complete an orientation quiz. Students have two attempts to complete the quiz and score a minimum of 80%. If you have any questions, contact the Director of Distance Learning at 910-296-1334 or jscbbhelp@jamessprunt.edu.
