Institutional Form – Federal Student Aid Programs 2009/2010

APPLICATION FOR FINANCIAL AID

This is an application for financial aid for all students. Please type, print, or clearly write the answers to each item on the application. Do not leave any blanks; place none or n/a in blanks for questions which do not pertain to your situation. **Each new application must have a high school and/or college transcript and an application for admission on file in the college admissions office.** Information will be treated confidentially. This application will gain consideration for all available scholarships, grants, and long-term loans. Awards are approved for students according to their demonstrated need. A student's need is determined by the U.S. Department of Education.
