Recipients who are unable to meet these obligations will be required to repay the scholarship/loan within ten years of the award. Recipients may re-apply for a second year of funding. Acceptance of the award carries with it the following obligations:

1. Recipient must complete all credentials and begin work as a teacher in a public or charter school in a low-wealth county in North Carolina within six years of the first award.

2. Recipient must teach two full years for each full year of each scholarship/loan received. The first two years of the obligation must be completed within eight years of the award. Any additional obligation must be completed within ten years.

3. Recipient must attend, if invited, a meeting of the Foundation or other appropriate group to report on the impact of the scholarship/loan program.
4. Recipient must sign a promissory note for each award, which will be forgiven when the teaching obligation is fulfilled. The terms of the note will provide for a payback as noted in paragraph above.
