

James Sprunt Community College

INSTRUCTIONS FOR APPLYING FOR ACADEMIC SCHOLARSHIPS

In order to be eligible for consideration, all scholarship applicants must submit the following information to the James Sprunt Community College Scholarship Committee:

- 1) A completed scholarship application.
- 2) Two (2) completed scholarship reference forms (preferably from instructors or employers). Forms are attached. **The application will be considered incomplete if both reference forms have not been received by the deadline date.** To make sure they have been submitted, you should check with our office (910-296-2417) **and** the individuals making the references.
- 3) High school seniors should submit a copy of their high school transcript.

NOTE: Currently enrolled JSCC students **do not** need to submit their college transcript. It will be requested by the Scholarship Committee Chairman. In the event that this is your first semester at JSCC and you have been out of high school a number of years and have not been enrolled at a college before, you will need to submit your high school transcript. If you are transferring from another college, you will need to submit that college's transcript instead of your high school transcript.

- 4) A completed James Sprunt Community College enrollment application, unless currently enrolled at JSCC.

NOTE: To be eligible to receive a scholarship, you must maintain a cumulative GPA of 2.0 and maintain enrollment in and complete a minimum of 12 semester hours each academic semester. Your classes and GPA are monitored each semester.

The above information must be submitted to:

Ms. Jeanine Cavanaugh
JSCC Scholarship Committee
James Sprunt Community College
P. O. Box 398
Kenansville, NC 28349

PLEASE NOTE:

- You need not apply for a specific scholarship. You will automatically be considered for each scholarship for which you are eligible.
- Two (2) weeks before the deadline, all individuals with their application on file will be notified by letter of the status of their application. **So, please return your application as soon as possible.**
- It is a good idea to check with our office the day **before** the application deadline to make sure that your application is complete. Please remember that if it is not complete, it will not be considered by the scholarship committee.
- Award notification will be mailed to **all** applicants by June 30th. Please be patient. The award process is a very time consuming process.
- Awards begin Fall Semester and are for a one (1) year period.
