

CPR

(Cardio-Pulmonary Resuscitation)

James Sprunt offers AHA (American Heart Association) CPR training on the last Tuesday of every month beginning at 1pm. These half-day classes provide the basic knowledge to perform life-saving CPR in the event of cardiac arrest. Students completing the course will receive their AHA CPR card.

Facilities needing CPR may schedule classes as needed.

BLS for HealthCare Providers (a.k.a. CPR for HealthCare Providers) is designed for doctors, nurses, EMTs, Paramedics, CNAs, NAs and other healthcare providers, as well as any student entering the above fields of study.

CPR Heartsaver is designed for industrial/workplace settings. It includes CPR, recognition of common medical emergencies and basic First Aid.

Course cost: BLS HCP \$60 (includes \$5 AHA card fee)
 Heartsaver \$75 (includes \$20 AHA card fee)

Students **MUST** preregister. To do so, or to schedule a class for an agency or facility, contact:
