STUDENT SERVICES

The purpose of the Student Services Division is to design and implement support services and programs for students which enable them to meet their short-term and long-term educational or training goals. These services and programs include: counseling, registration, admissions, testing, financial aid, tutoring, recruitment/retention, employable skills training, Federal Trio programs, and the Student Government Association (SGA). Students who take advantage of those services and programs are better equipped to achieve their goals.

Social development is an important part of James Sprunt’s total education program. A planned program of student activities is available to all students, which includes the Student Government Association, clubs, lectures, and intramural sports.

The Strickland Student Center, located at the center of the campus, offers dining, movies, TV, as well as areas for study or conversation.

Active participation in extracurricular activities is encouraged as it provides students with many opportunities for leadership and personal growth and enables them to become aware of their fullest potential. Students will not be excluded from membership in any organization because of race, color, religion, age, sex, or disability.

STUDENT ORGANIZATIONS

STUDENT GOVERNMENT ASSOCIATION (SGA)
The Student Government Association represents one of the most active organizations on campus
where students receive practical experience in responsible democratic citizenship through
participation in a program of self-government. The SGA is designed to promote the general welfare
of the college in a democratic fashion and to facilitate communication between the student body, the
faculty, the staff, and the administration. The SGA provides a means through which students can
promote interest in student activities both on and off campus. The student body elects a president,
vice president, and secretary in the spring semester of each year. A senate of representatives from each program of study will assist the executive leadership. All students who have paid the student activity fee are members of the Student Government Association.

**AMBASSADOR PROGRAM**
The James Sprunt Community College Ambassador Program consists of an honorary group of students who have been nominated by faculty and staff to represent the college at special events on campus and in the community. Each Ambassador must have completed an interview with the screening committee, have at least a 3.0 grade point average, and be a full-time student.

**PHI THETA KAPPA**
James Sprunt Community College instituted a chapter of Phi Theta Kappa, an international honor society for two-year colleges, in 1995. In 1929, Phi Theta Kappa was designated as the official honor society of America’s two-year colleges by the American Association of Community and Junior Colleges. To be eligible for this honor, a student must be enrolled in a two-year college, have completed at least twelve hours of course work towards an associate degree, have a grade point average of at least 3.50, have established a record of academic excellence, be of good moral character and possess qualities of good citizenship.

**SCHOLARLY MEN OF SUCCESS ACADEMY**
This organization provides awareness of health issues that are important to this population during the funding period, a weekly seminar to be taught by JSCC faculty and staff which will include the following topics: learning styles, goal setting, time management, career planning, diversity, budgeting, note and test taking, reading for understanding and study skills, career and educational mentoring through opportunities to shadow successful minority male college students, specialized supportive counseling and activities that increase their chances for completing higher education and obtaining a degree, financial aid, grant, and scholarship information. Contact 910-296-1011.

**Academic Policies and Procedures**

**Registration/WebAdvisor**
WebAdvisor is an online tool that allows currently enrolled students to access information and register for classes via the internet. A link to WebAdvisor can be found on the James Sprunt Community College website at www.jamessprunt.edu. Students new to WebAdvisor can access “I’m New to WebAdvisor” on the WebAdvisor home page to get their User ID and Password. Student email must be operational for WebAdvisor password notification.

Some of the tasks students will be able to access are:
- Search and Register for Classes *(after meeting with advisor)*
- View Class Schedule
- View Transcripts and Grades
- Perform Program Evaluations
- Check Financial Aid Status by Term
- View Account Summary by Term

**Class Attendance**
Students are expected to be present at all scheduled classes and examinations. The instructor will inform the student when the student’s success in the course is jeopardized by excessive absences. The number of absences allowed for a course is determined by the individual instructor who is responsible for informing the students in the course syllabus during the first week of class about his/her policies concerning class attendance and grading. Students are responsible for making up all work missed. If the student’s absence is due to extenuating circumstances, it is the student’s responsibility to contact the appropriate instructor(s).
Adding or Dropping Courses
No student will be allowed to register after classes begin, unless registering for a class that has not met. A drop/add period for registered students will be held for two days to accommodate students that need to make necessary changes. These two days are the first and second day of the semester.

Course Load
The maximum course load by program area, for students is as follows:

<table>
<thead>
<tr>
<th>Program Area</th>
<th>Maximum Hours Per Semester</th>
</tr>
</thead>
<tbody>
<tr>
<td>College Transfer</td>
<td>21 Credit Hours</td>
</tr>
<tr>
<td>General Education</td>
<td>21 Credit Hours</td>
</tr>
<tr>
<td>Associate in Applied Science Degree</td>
<td>21 Credit Hours</td>
</tr>
<tr>
<td>Diploma and Certificate Programs</td>
<td>21 Credit Hours</td>
</tr>
</tbody>
</table>

A student must register for 12 semester hours to be considered a full-time student.

Approval from the Executive Vice President is required to register for more than the maximum number of hours (including those being taken at other institutions) unless it is required in the typical course sequence of the major. The student’s academic advisor should notify the Executive Vice President of the student’s desire to enroll in more than the maximum number of allowed hours. A student may be enrolled only for those courses approved by his/her advisor. Students who are placed on academic probation may be required to register according to the probation policy as stated in the catalog or by the college counselor.

Semester Hours
The school year is normally divided into two semesters of eighty school days each and a summer session. The semesters usually begin in August, January and May. Credits earned are in semester hours, a unit of measurement for credit purposes. One semester hour represents the credit earned in a scheduled course for one hour of lecture per week or two hours of lab per week or three hours of shop per week for sixteen weeks. Students will normally need to study two clock hours in preparation for one class hour.

Withdrawal
Courses may be withdrawn only through the 75% point of the semester or class. A grade of “W” (withdrawn) may be given when withdrawal takes place after the 10% point but prior to or on the 75% point of the semester or class. Later withdrawals, except for extenuating circumstances approved by the appropriate Department Head, may result in a grade of “F”. (See other information on Withdrawal in the college catalog.)

Students who must withdraw from one or more classes during the semester have the responsibility of notifying each instructor, and completing a withdrawal form which may be obtained through the Student Services office. Notification of withdrawal from a course must be received within ten (10) working days of the last date of attendance or as specified by the instructor in the course syllabus or the course instructor may withdraw the student and a grade of “F” may be assigned for that course. Students may officially withdraw through the twelfth week of the semester (or 75% of the allotted time for any shorter session). Beyond the twelfth week (or after the 75% point), students may officially withdraw only when extenuating circumstances occur and such withdrawals must be approved by the appropriate Department Head.

The appropriate college official to contact in order to officially withdraw is:

1. **Each course instructor.** Each course instructor will complete a drop form for their class(es) indicating the date of notification by the student, and forward the original to the Student Services Office; or

2. **The student’s academic advisor.** The advisor will complete a drop form, as in Number 1 above; or
3. The appropriate Department Head. These officials will complete a drop form as in Number 1.

Official withdrawals through scheduled withdrawal dates may result in a grade of "W" unless the student is withdrawing due to cheating (see Academic Dishonesty Policy) or other circumstances as approved by the Department Head. Later withdrawals, except for extenuating circumstances, will result in a grade of "F". A student who registers for a class, but does not attend, must officially drop the class to avoid receiving a grade of "F". A student who registers for a class, but withdraws prior to the 10% point of a semester, will have no entry on his/her transcript. Please refer to the section “Curriculum Refunds” for other information.

Courses in which grades of "W" are received will not be counted as hours attempted and will not affect a student's grade point average. Associate Degree nursing students should also refer to the section “Involuntary Withdrawal from Health Education Programs”.

FEES AND FINANCIAL AID

Expenses at James Sprunt Community College are held to a minimum because of support from local, state, and federal sources. These fees are payable each semester upon registration. These fees are set each year by the General Assembly of the State of North Carolina and are subject to change.

Academic Dishonesty Policy

Academic Dishonesty Defined
James Sprunt Community College is committed to providing an academic environment conducive to learning. The college does not condone academic dishonesty to any degree. To ensure students understand the college’s expectations, definitions, and examples of plagiarism and cheating, reference is provided below. Students are accountable to the policies and are expected to conduct themselves in such a manner as to be a credit to themselves and the college.

Plagiarism
Plagiarism is defined as presenting someone else’s work, including the work of other students, as one’s own. Students have plagiarized when they have failed to properly document the original ideas of others. Any ideas or wording taken from an original source for written or verbal use must be cited within the assignment. Examples of possible resources may include: books, newspaper/magazine articles, course material, other students’ projects, email messages, and Internet resources including books, fine art, graphics, photographs, websites, video production, films, CDs, design projects, compositions, lyrics, music, sound bites, speeches, audio recordings, lectures, interviews, etc. When you are in doubt about the need to cite information, ask your instructor.

Cheating
Cheating is defined as obtaining information in a dishonest manner. Some examples of cheating are: obtaining and using all or part of someone else’s work and turning it in as one’s own, allowing someone else to obtain and use your work, several people completing one assignment and submitting multiple copies represented (implicitly or explicitly) as individual work, submitting material(s) obtained from the Internet and/or World Wide Web as one’s own work without proper acknowledgement of the source, and letting a tutor complete an assignment and submitting it as one’s own.

Consequences
If a student commits any act of academic dishonesty, the instructor may assign a zero grade on the assignment or assign a grade of “F” in the course. The instructor must file an academic dishonesty incident report describing the alleged violation with the Executive Vice President and provide a copy to the student. The student may appeal the grade assigned by the instructor if; (1) the student believes the penalty is unfair or (2) the student does not agree with the evidence presented by the instructor. Guidelines for student appeals are provided in the current James Sprunt Community College catalog.

Repeated offenses of the college’s academic dishonesty policy will result in the student being referred to the Associate Vice President of Student Services.

Academic and Non-Academic Appeals

Any student has the right to appeal grievances resulting from any action taken by the college which affects a student’s academic standing or the student’s status within the academic program. Additionally, any student has the right to appeal grievances resulting from any non-academic action

Drug and Alcohol Policy

I. PURPOSE
James Sprunt Community College is committed to the maintenance and protection of
an environment in which students and faculty members “can responsibly pursue their
goals through learning, teaching, research, and discussion, free from internal or external
restraints that would unreasonably restrict their academic endeavors.” Additionally, it is
the obligation of all members of the college community — students, faculty,
administrators, and other employees — to help maintain an atmosphere where
academic freedom thrives and in which the rights of each person within the college
community are respected.
II. **UNLAWFUL USE**

Illegal drug use poses a threat to higher education communities. Drugs endanger the health and safety of all persons within these communities and jeopardize the integrity of the pursuit of learning and teaching. Therefore, it is the policy of this college that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance or alcohol, is prohibited while in the work place, on college premises or as part of any college-sponsored activities. Any employee or student violating this policy will be subject to disciplinary action up to and including termination or expulsion and referral for prosecution. The specifics of this policy are as follows:

1. James Sprunt Community College does not differentiate between drug users, drug pushers, or sellers. Any employee or student who unlawfully possesses, uses, sells, gives, or in any way transfers a controlled substance or alcohol to another person, or manufactures a controlled substance or alcohol while in the work place, on college premises, or as a part of any college-sponsored activity, will be subject to disciplinary action up to and including termination or expulsion and referral for prosecution.

2. The term "controlled substance" means any drug listed in 21 CFR Part 1308 and other federal regulations; as well as, those listed in Article V, Chapter 90 of the North Carolina General Statutes. Generally, these are drugs which have a high potential for abuse. Such drugs include, but are not limited to, Heroin, Marijuana, Cocaine, PCP, and "Crack." They also include "legal drugs" which are not prescribed by a licensed physician. Alcoholic Beverages include beer, wine, whiskey, and other beverages listed in Chapter 18B of the General Statutes of North Carolina.

3. No employee, student, or guest shall knowingly use or be under the influence of any non-prescribed narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, or intoxicant of any kind on the College campus; however, the legal use of alcoholic beverages may be allowed as appropriate at selected off-campus college-sponsored activities.

4. If any employee or student is convicted of violating any criminal drug or alcoholic beverage control statute while in the college workplace, on college premises, or as a part of any college-sponsored activity, he or she will be subject to disciplinary action up to and including termination or expulsion. Specifically, any such person who is convicted of a felony or a misdemeanor which results in an active prison sentence will, if a student, be expelled, or if an employee, be terminated from employment. Other misdemeanor convictions will be evaluated on a case-by-case basis, and the penalties to be imposed may range from written warnings or mandatory counseling or rehabilitation to expulsion from enrollment or discharge from employment. Any person charged with a violation of these "Unlawful Use" policies may be suspended from enrollment or employment before initiation or completion of disciplinary proceedings if the Vice President of College Advancement and Human Resources determines that the continued presence of such person within the college community would constitute a clear and immediate danger to the health or welfare of other members of the community after an appropriate predetermination inquiry.

5. Each employee or student is required to inform the Vice President of College Advancement and Human Resources, in writing, within five (5) days after he or she is convicted of violation of any federal, state, or local
criminal drug or alcoholic beverage control statute where such violation occurred while in the college workplace, on college premises, or as a part of any college-sponsored activity. A conviction means a plea of or a finding of guilt (including a plea of nolo contendere) and the imposition of a judgment by a judge sitting with or without a jury in any federal or state court. If an employee is convicted of violating any criminal drug statute while on the workplace, he or she will be subject to disciplinary action up to and including termination. Alternatively, the college may require the employee to successfully finish a drug abuse program sponsored by an approved private or governmental institution as a precondition for continued employment.

6. The Vice President of College Advancement and Human Resources must notify the U.S. governmental agency from which a grant was made within (10) days after receiving actual notice of a drug conviction. Disciplinary action against the convicted employee must be undertaken by the college within 30 days. As a condition of employment on any federal government grant, the law requires all employees to abide by this policy.

7. A description of applicable state sanctions and the health risks associated with the use of both illicit drugs and alcohol is attached and included as a part of this policy.

III. DRUG AND ALCOHOL TESTING

1. The College endeavors to have a drug-free workplace. To support this goal, the College participates in random drug testing, suspicion testing, and follow-up testing. All testing procedures will be administered in accordance with applicable law and regulations.

2. Employees may be asked to take a test at any time to determine the presence of drugs, narcotics, or alcohol, unless the tests are prohibited by law. Employees that agree to take the test must sign a consent form authorizing the test and the College’s use of the test results for purposes of administering its discipline policy. It is a violation of this policy to refuse consent for these purposes or to test positive for alcohol or illegal drugs. Policy violations will result in discipline and may result in termination. Tests that are paid for by the College are the property of the College, and the examination records will be treated as confidential and held in the personnel file. However, records of specific examinations will be made available, if required by law or regulation, to the employee, persons designated and authorized by the employee, public agencies, relevant insurance companies, or the employee’s doctor.

3. Employees, who notify their supervisors of an abuse problem prior to being discovered, shall be referred immediately to the College’s Employee Assistance Program for treatment and rehabilitation. An employee may have to participate in follow-up testing before returning to work.

Campus Security and Safety Information

James Sprunt Community College seeks to provide an atmosphere of openness for the encouragement of collegiate activity on campus facilities. However, this policy of promoting openness must be balanced by controls designed to promote security on campus facilities.

The Division of College Advancement and Human Resources is primarily responsible for campus security, and the Director of Public Safety is responsible for campus safety. Statistics on campus crime are gathered and annually published in a document entitled “Annual Security Report”. This report is available in the Office of Public Safety. It can also be found on the website at www.jamessprunt.edu.

Crime Prevention

Security’s number one priority is to maintain high visibility as a deterrent to crime. Every effort is made to prevent the occurrence of criminal activity through frequent patrolling of all campus buildings, grounds, and parking lots.

All officers are equipped with two-way radios for immediate dispatch to an emergency. When necessary, an outside agency, such as the Duplin County Sheriff’s Office or Kenansville Police Department is contacted for assistance.

Students, faculty and staff should report to the JSCC Security incidents and concerns immediately so that response measures may be taken.

Student Injuries and Campus Sickness

Students who are injured on campus should seek urgent medical assistance when the need exist. All injuries should be reported to the College Resource Officer (CRO) who will assist with providing illness and injury updates to the Director of Public Safety and Associate Vice President of Student Services. Students, at their earliest opportunity, should complete JSCC’s Student Incident form as well as the required paperwork for filing a student insurance claim. These forms may be obtained in
the Student Services Department located in the Strickland Building. Student should make every effort to accurately report injuries and serious illnesses to the CRO.

**College Policy On Campus Crime**

For more information regarding this policy, please feel free to contact the Associate Vice President of Student Services and/or the Director of Public Safety.

**Spartan Alert System**

*(S.A.S.)*

The Spartan Alert System (S.A.S.) is a messaging system that is used to send out messages to 1000s of people at one time as emails, text messages and/or voice messages. James Sprunt uses this system for emergency alerts, school closings, and important school information. Registered Students are automatically given an account with S.A.S. and messages are automatically sent to the user's James Sprunt email account. If a student chooses to receive messages as text or voice messages, it is necessary for the student to log into their S.A.S. account and enter the phone number directly.

To log into the alert system, choose the S.A.S. icon on the James Sprunt Community College webpage. Student login is on the left side of the page and provides a means to request a password
for newcomers as well as those that forget their password. Once logged into the account, the user will have access to add and remove phone numbers for texts and voice messages as well as additional email addresses. On the right side of the page, non-curriculum students can create a login and receive any public messages that are transmitted. For assistance, contact the Just Ask Tech Support team (justasktechsupport@jamessprunt.edu; (910) 296-1367 or Room #105 in the Hoffler building.
