August 25, 2014

The NA I class is tentatively scheduled to start on Monday, September 29\(^{th}\), 2014. Pre-registration is recommended due to limited seating. Pre-registration ends September 24\(^{th}\). The class will require a minimum of 8 to 10 students to make. If by the night of the class the class has not registered enough students then a refund form will be given to students and money will be refunded.

Pre-requisite class is required. Introduction to Health Care Careers. Next scheduled class will begin 10-6-2014. Classes are offered M-TH and last for four weeks. There is a certification test that is required at the conclusion of the class in which the student must score at least a bronze. Please call Nakita Newkirk at (910)296-2461 for more information on this pre-requisite class. Upon completion of this class students are prepared to enter the CNAI program. If student has already obtained a bronze in the Career Readiness Certificate and is able to present a copy of the certificate the requirement is considered met. If a student has certification or licensure in the healthcare field consideration will be given to the waiving of the pre-requisite class. For questions regarding this requirement please call Allied Health Program Coordinator, Tammy Sessoms, RN, BSN at (910)296-2466.

Next scheduled CNAI class is scheduled to begin 09-29-2014. Classes will be offered Monday thru Wednesday. Morning classes as well as evening classes will be available. Class time will be 9:00 a.m.-1:00 p.m. and 6:00 p.m.-10:00 p.m. Clinical times and dates will be scheduled and announced by instructor at a future date.

In order to secure your place in the upcoming class you must provide our office with the following documents: a copy of CRC bronze certificate, a current background check, current TB Skin test, and an updated immunization record. These items are needed on or before Thursday September 22, 2014. If we do not receive these items by the above date, we will move to the next person on the NA I waiting list. Please, turn these items in to Patricia Underwood. Her office is located in the Boyette building, room 221.

Please also note that the cost of the class is $180.00, liability insurance $50.00, student insurance $1.50 and all fees will be due on the first night of class. The cost of text book and work book is approximately $62.81. Price includes tax (price is subject to change) and can be purchased from our book store (make sure that your place in class is confirmed before purchasing the book). Lab skills and clinical performance check-off packet will also be required. Cost is approximately $25.00. If you plan on purchasing your text book from another place, please contact Ms. Tammy Sessoms, RN, BSN at (910) 296-2466, to make sure that you are getting the correct book.
